

**RESEND QSO TO LoTW To resend the QSO to the ARRL (for the LoTW), for example in case of blackout of the ARRL servers, just press the "Reset LoTWs field" button and then the upload button as visible in the third image.**

In the following image, the QSL section shows in the LoTWs column the letters Y that identify the QSOs sent to the LoTW.

QSO: 59

After pressing the "Reset LoTWs field" button, the column changes from Y to N, all the QSOs present in the "QSL Section" window will then be labeled with N, that is, ready to be resent to the LoTW
